

WR Sterling Shepard

Postgame vs. Miami, August 12, 2016

Q: How is the groin?

A: I feel good. It's just sore from practice, but it's all good now.

Q: Do you realize that everyone kind of freaked out when you got hurt?

A: I can see that happening, especially when Eli and (me) both (are being tended to). But it's nothing too serious, so don't freak out.

Q: Did you injure the groin tonight or was it something from practice?

A: It's just been sore. Both of them have been sore, so it's nothing serious at all.

Q: Was that catch big for you or is that just something you know you can do?

A: It's just something I know I can do. It came up big in the situation, but that's what I'm supposed to do. That's what I get paid to do. That's what I expect of myself.

Q: What happened on that interception?

A: I felt like I could go up and at least disrupt that ball. I felt like I should have went to go catch at the highest point. I felt like I had him beat enough to where I could make an over-the-shoulder catch, but he got up pretty high on that one. He did a good job playing it.

Q: Does it make you feel good that you were featured so much in the offense tonight?

A: I feel like that just comes with practicing. What you do in practice kind of carries over to the game. If you show you're capable of making those types of plays, they're not going to hesitate to feed you the ball. It's just preseason, so we've got a lot of work to do. I've still got a lot of work to do. We'll see what happens in the regular season.

Q: Are you excited to finally get on the field in a game with Eli, Odell and Victor?

A: I can't wait. But I'm going to take it one thing at a time and focus on this next game and focus on practice coming up.
