POSTGAME QUOTES

Cleveland Browns Running Back Duke Johnson, Jr. (transcribed by Armando Gonzalez)

(Was it exciting for you, were you thinking about everyone back home watching you play in front of your home town?) – “Yes it was. I was excited to get home and play in front of my family and friends. I wish we would have come out with a W, but I enjoyed it.”

(Were you hoping to get more touches? Take me through the flow of the game as far as what you were trying to get done out there?)- “I mean we got done a majority of what we wanted to do, we just didn’t get the win.”

(Was the weekend a distraction? Did you have to see family?)- “Distraction? No, I’m a football player, when I’m in football mode I’m in football mode.”
