

BENGALS POSTGAME QUOTES

MIAMI AT CINCINNATI

CARLOS DUNLAP

Defensive End

The defense was all over Miami and you had a great game to fill out a stat sheet yourself ...

“Absolutely. We knew they had a couple issues with the offensive line but as a defensive line, we want to go in there and try to expose that.”

The defense only really gave up one big play, and you regrouped quickly ...

“That was a desperado play. They knew what their situation was, so they just wanted to try to put points on the board quick. They got us on one play, but we didn’t flinch, we got back to what we do best and kept them out of the rest of the game.”

They never even got in the red zone and couldn’t get anything done on third down ...

“That’s one of the big things for our defense. We want to keep them out of the end zone, and we want to win third downs. We were able to do that today, and that’s why we got the result that we wanted to.”
