Chris Hogan, Wide Receiver

(On Jacoby Brissett playing well)

"Shout out to our offensive line, you know, for handling all those guys out front. That was a big part of our, you know, going into this week, was handling those guys up front and those guys did an incredible job all day, you know, and I think that we were moving forward the entire day and LeGarrette [Blount] and James [White], they all ran the ball really well today and that was a huge part of our success."
