

BENGALS POSTGAME QUOTES

MIAMI AT CINCINNATI

CHRIS LEWIS-HARRIS

Cornerback

On his interception...

“Our defensive line did a good job of applying pressure; I don’t believe he could see me, so I was able to get in the right position to make a play on the throw on the ball.”

You seem to have Miami perplexed – what led to the turnaround as opposed to the play against Denver in the previous game this week?

“Like I said, our defensive line, we feed off them. They came, they showed up. We’ve got a great group of guys up there and they made it easy for us in the back end.”
