

BENGALS POSTGAME QUOTES

MIAMI AT CINCINNATI

VINCENT REY

Linebacker

The defense really seemed to bounce back quickly after Miami took a quick lead on the touchdown pass ...

"Yeah. With that touchdown, they kind of got us off guard. They were able to block us up, give the quarterback some time, and their receiver made a play. But that showed the resiliency of our team. We didn't back down. Nobody's thinking back to last week on Sunday. We're thinking 'every game's a new game; let's buckle down, let's be resilient (and) let's pound the rock. Let's focus.'"

The pressure you brought today on defense was relentless ...

"Yeah. I heard some people questioning our (pass) rush, but they can't say that now. (Carlos) Dunlap, Geno (Atkins), Will (Clarke), Michael (Johnson) – guys were just rushing the passer very well. And conversely, we're doing a great job covering and making the quarterback hold the ball."
