Nate Solder, Tackle

(On the game)

"It was good to be a part of that group. I felt like we did some good things but we're going to have to watch that film because we got a really tough opponent coming and we got to be ready and it's not going to be easy."

(On Jimmy Garoppolo getting injured)

"You know what, we were all business. When Jacoby [Brissett] came in and called the play we got to the line and played it as we always do... Well you know you just got to be good, you got to play good, you got to like always, you got to protect, you got to run the ball, we got to do the things that we need to do and I think a little more weight fell on our shoulders for that."

(On playing for the first time in 11 months)

"It was very special. I have a lot of fun playing this game and it's not easy to get out there and I've been through our own struggles but I was really happy to be out there and it was a lot of fun."
