

Dallas Cowboys Offense

WR 88 Dez Bryant

On Tony Romo's performance:

"He looked good. It went as planned. That's what the coaches had for him and he did his job."

On overall thoughts after playing two preseason games:

"I feel the same. There's nothing surprising. We're just putting in the work each and every week starting from training camp and all season. Just being around my teammates and keeping each other lifted and motivated. We're out here just ready to play ball."

On confidence level in the offense based on the first two preseason games:

"It's up to us how good we want to be. I'm going to let that stand."

On QB Dak Prescott's performance:

"The guy's a student of the game. You've got to give him credit. The guy's pretty amazing. We just gotta keep being there for him. He's a smart guy and one hell of a football player."
