## TENNESSEE TITANS AT MIAMI DOLPHINS HARD ROCK STADIUM

Oct. 9, 2016 | 1 P.M.

### POSTGAME QUOTES

Tennessee Titans Running Back DeMarco Murray (transcribed by Armando Gonzalez)

(DeMarco how fun is it as a running back when you're getting six, seven, eight yards a pop and you feel like you will on the next one?) - "Yes, it's just fun to win. At the end of the day that is all that matters. I could have had 50 yards out there, but we won the game and that is more important. It is hard to win in this league and it was a good team victory today."

(Is this the blueprint for this offense moving forward?) - "We'll see. I think it just depends on the opponent. We were able to run the ball (today) and Marcus (Mariota) did a great job in the red zone finding Delanie (Walker) and Rishard (Matthews). We've just got to continue to work hard and get better."

(To string together a couple of wins, how much does this need to be a momentum builder for you?) - "Definitely. We believe in ourselves and our coaching. We've got to continue to just work hard. We had a great week of practice this past week. It was the best week we've had up until now. We have to continue to make sure guys are on the field, make sure guys are coming to work and doing the little things right and it showed today."
