## TENNESSEE TITANS AT MIAMI DOLPHINS HARD ROCK STADIUM Oct. 9, 2016 | 1 P.M.

### POSTGAME QUOTES

#### Tennessee Titans Wide Receiver Rishard Matthews (transcribed by Armando Gonzalez)

(Rishard, happy homecomings, so to speak, back in Miami where you started your career. A big touchdown in the second half and a win. What was the feeling?) – “Yes, definitely. Like you said, the most important (thing) is the win. (It was) pretty honorable previous weeks we wanted to go get a W and try to get some more on the board.”

(You said that there’d be some friendly trash talk between you and guys on the other side. Take me through that touchdown play and, maybe, what you said afterwards.) – “I didn’t say anything afterwards. It was just a play drawn up, go motion across and comeback underneath Tajae (Sharpe). It was a great read by Marcus (Mariota). He just threw it up, and I made a play for him.”

(Was this the ideal Titans offense – running game setups up the play action sets up the bootlegs, things like that?) – “Yes, definitely. That’s what it has been. We just haven’t been making those plays offensively. This week, we made those plays and hopefully, we can continue to keep going in the right direction and get some more W’s on the board.”

(Rishard, how does this team now build from this? This is a big win but it has been a long time since you’ve strung wins together. Going back home for three in a row, what kind of an opportunity is this?) – “I think it’s a big opportunity. We’ve got a lot of momentum; a lot of guys feel good. We love this feeling, but we need to go and win next weekend and continue to win after that at home, especially at home. We haven’t won one at home since I’ve been here. We have to win at home and get those fans involved and make it hard to come to Nissan Stadium and play.”
