

### **New York Jets OL Ben Ijalana, 12.17**

#### **On how the offensive line performed...**

It seemed like a game of two halves. We started out strong on the opening drive. Something happened in the third quarter. It started to snowball and then we didn't have any sustained drives which clearly hurts the offense. It put our defense in a bad position. They were on the field longer than they should be.

#### **On Coach Bowles taking the blame...**

I understand why he said that. I respect him as a man to stand up and say that but I'm also a man here and I have to hold my share of the blame. Coaches come up with a game plan but they're not out there on the field. We have to execute said plan. It's a group responsibility.
