

**Steelers Players
Pittsburgh Steelers vs. Miami Dolphins
Heinz Field • Sunday, January 8**

LB Lawrence Timmons

As far as the tape you saw coming into the game, did what happened last time in Miami make you guys angry?

The past is the past. You know, we have to defend Heinz Field. It's the playoffs now. The season is totally different from the postseason. And that's how we went about it.

Talk about the way you complimented the offense. They got out to a quick lead and you got the ball back for them, particularly with turnovers.

Turnovers are huge. Rush and cover work together. You saw Bud [Dupree] with the hit on the quarterback. The D-line was getting after the quarterback. And the guys in the back were picking the ball off. Our secondary did a good job breaking up balls. It was huge for us.

How much has the return of James Harrison helped with the running game?

He's the former defensive player of the year. Nothing surprised me. He's been doing it for a long time for us. He shows everyone the "Steeler Way" and you saw that out there today.
