

**Steelers Players**  
**Pittsburgh Steelers vs. Miami Dolphins**  
**Heinz Field • Sunday, January 8**

**S Sean Davis**

**Is that what you thought it would be?**

We had a play and we executed. January football is something totally new for me to experience. I want to keep riding this wave.

**How great an emphasis was stopping [Jay] Ajayi?**

That was our No. 1 goal. We knew what he did to us last game. We had to totally shut him down and we did that.

**And what got that done?**

Just everybody doing assignments. We played physical [and] played tough. We just did our job.

**When the offense gives you a lead like that, does it help you play more free and more aggressive?**

Most definitely. We stick to our game plan, but when we're up like that [and] we're stopping the run, the pressure is on them. We just took advantage of that. I think we played hard and came out on top.

**Did anything change schematically from the first time you played them?**

Nope. We just executed. We outplayed them. We wanted it more.
