POSTGAME QUOTES

Atlanta Falcons G Wes Schweitzer (transcribed by Jason D. Silver)

(Do you want to talk about the game overall today, your take on it?) – “It was a good game. Team played hard. I was proud of everyone’s performance out there.”

(What if anything stands out to you from the game?) – “We had some mistakes on special teams we definitely have to clean up. We had some good interceptions out there by the defense and the offensive line I think played well together.”

(What do you have to work on for the next few games in preseason here?) – “Everything. Pass pro. Run Blocking. Just have to get better as an overall player. You’re never perfect.”
