POSTGAME QUOTES

Chargers DE Joey Bosa (transcribed by the Los Angeles Chargers)

On his performance:

"It gets kind of frustrating when guys are just getting rid of the ball and you're beating tackles and there's nothing to show for it. You just have to keep coming."

On how this loss will affect next week:

"This loss is now. It's over now. It's out of my head now. I'm focused on next week now and I think everyone else here is too. Sulk tonight, but get over it. We have to get back to work."

On tonight's offense and defense:

"We have to get the ball in the hands of the guys who can make plays. I mean 23 [Dolphins RB Jay Ajayi] and 14 [Dolphins WR Jarvis Landry]. When they got the ball they can make things happen. They just turn into playmakers. I think, as a defense, we held them to a lot of field goals and I thought we did a good job, but we obviously need finish."

On déjà vu on tonight's outcome:

"I mean the last two weeks kind of seem hard to believe after last year. I didn't think it would be happening like this still. It's not like it's happening for no reason. There are reasons why it's happening and we have to fix them."

On what he saw from QB Jay Cutler:

"Not enough of him so that's good for him."
