POSTGAME QUOTES

Chargers DE Melvin Ingram (transcribed by the Los Angeles Chargers)

On how the team can improve:

"We have to come out here and finish. That's all we have to do as a team, commit to finishing."

On how the defense played:

"We did a good job but it wasn't good enough. When they got two more points than us at the end of the game, we didn't play good enough. We have a lot of things we have to clean up."

On his expectations for week three:

"We have to take our losses with a grain of salt and we have to learn from them. No matter how you see it we have to learn from them, it doesn't matter if the Chiefs are coming. We can't worry about any of that. We have to get in the classroom, see what our mistakes were, correct them and get ready."

On Dolphins QB Jay Cutler and the Dolphins:

"I feel like he did good, he's the quarterback and he came out and won. He came out and did his job. They came out and tried to win the game, that's what any team would do. They won and that's all that matters."

On playing in StubHub Center:

"It was a good experience. We had a warm atmosphere, it was great and I definitely loved it but we have to get a win for StubHub."
