POSTGAME QUOTES

Tennessee Titans Cornerback Adoree Jackson (transcribed by Daniel Chavez)

(Alright so let's talk about the forced fumble there.) – “We were just out there playing ball. They always say good things happen when you run towards the ball. Being back side, he actually cut back, I was just running towards where I saw the gap. He came backside towards me and (I) just tried to put my head in, fit in where needed and ended up forcing a fumble.”

(Where do the Titans have to go from here?) – “For us, just keep playing, keep competing. It came down to the last second where we had an opportunity to win the game so we've just got to keep going out there, competing and making more plays to win the game.”

(Less than 100 yards passing, I believe, [for Dolphins QB Jay Cutler]. Have you ever been a part of a game where there was less than 100 yards passing, but unfortunately there was still a loss?) – “Yes, any loss is just frustrating so I'm just going back to the drawing board and see which way we can get better and compete. They actually, (their) offense scored what, nine points I believe on us. They had a forced fumble. We should have prevented that touchdown in the second half to keep our offense in rhythm.”
