POSTGAME QUOTES

Tennessee Titans RB DeMarco Murray (transcribed by Armando Gonzalez)

(What happened on the fumble?) – “I just have to hit it. Instead of trying to get an extra yard or so, the ball was away from my body and we can’t have that.”

(Some of the guys are saying that on Matt’s [Cassel] play that was ruled a fumble, they heard a whistle.) – “Yes, I wasn’t in on that play but obviously I heard it on the sideline and that is why most of the guys stopped, it’s unfortunate.”

(Is there a plan B when you have the backup quarterback in in terms of helping him out?) – “Yes I’ve helped Matt [Cassel]. Obviously he’s a vet, a guy who knows the system, knows how to play and I think we just didn’t give him enough time, we didn’t run the ball effectively. But they’re a good defense obviously but we have a lot of pride in ourselves and we know what type of offense we are. We have to play better, we have to focus a lot harder, finish plays and it starts there.”
