POSTGAME QUOTES

New York Jets DL Muhammad Wilkerson (transcribed by Armando Gonzalez)

(At the time of your interception that seemed to be a big momentum swing. Can you take us through that play and what that did for the team?) – “Jamal (Adams) made a play tipping the ball. I was there to make a play on the ball, but at the end of the day we didn’t make enough plays to win the game.”

(How difficult is this one to swallow up by 14 points?) – “We come in at halftime and talk about how penalties were hurting us in the first half and talked about finishing. We came out the second half and still committed penalties so we’ve got to work on that.”

(What do you think of the pass rush overall today?) – “We got some hits on them, but at the end of the day we lost the game. It’s not even about the pass rush, it’s about us, all eleven guys on defense, offense and special teams executing their job, and we didn’t do that.”
