(Haven't heard you whistling after a game in a while...) – “Yes. I would have been whistling last week but I told you I'm in a lot of pain. I'm hurting now but I'm not in a lot of pain. I am in some pain though. But, yep, a road win. Like I said earlier this week, well last week because today is Sunday, so this is a start of a new week so that would have been last week right? Just trying to be technical. I said we were what word did I use? Horrendous? (Yes - Horrendous confirmed by member of the media) on the road. Today we were, it wasn't pretty, but we got a win and that's all that matters.”

(You gave up that big 68-yard, 69-yard run but then you really shut them down against the run. What was the difference after that play?) – “That was a mix of a misfit and a call, kind of. We could have done something about it but we couldn't have. On that one really, we just have to tackle. Sometimes you get put in a...or we put ourselves in bad situations but we have to make plays.”

(But you adjusted. What did you do better the rest of the way?) – “Just everybody was in their gaps. Coach Smith (Mike Smith) started making some great calls and put us in the best position to make plays and guys just made the plays necessary. Taking the ball away is a mindset. I think guys, we did that today. Wasn't the prettiest second half but you take the ball away four times you have a pretty good shot of winning.”
