POSTGAME QUOTES

Panthers LB Luke Kuechly (transcribed by the Carolina Panthers)

RE: His interception

"I think we had a good rush. We had a good rush all game. When you have guys who can get after the quarterback, the ball comes out quick. Thomas Davis did a good job elevating the ball. He was in the flat. When you have guys on your team who do a good job of playing their responsibilities sometimes you are just in the right spot at the right time to make a play."

RE: More on his interception

"I had an idea out of that condensed formation. There are a couple of routes. Like said, Thomas was able to push out there and give me a little bit of time to get out there and make a play on the ball. Al Holcomb had talked about that route all week. It was a good team play. It was great for the offense to go down there and score a touchdown before half."

RE: What it takes to see success

"We just have to play smart and play our game. That's really all it comes down to. We have guys that love playing and love their teammates. We just have to be smart. If we do our jobs and play between the whistles, we'll be okay."

RE: The success they saw tonight

"You see it on offense. You see it on defense. You see it on teams. When you have guys who are unselfish, that's what makes you dangerous. That's what makes you good. They just want the team to win. That's what makes our team fun. That's how Coach Rivera is. He is all about the team. He is all about guys doing their jobs for the betterment of the team. It feels good to get a win like that going into the bye."
