**MIAMI DOLPHINS VS. CAROLINA PANTHERS**  
**BANK OF AMERICA STADIUM**  
Nov. 13, 2017 | 8:30 P.M.

**POSTGAME QUOTES**

**Panthers WR Devin Funchess (transcribed by the Carolina Panthers)**

**RE: His performance today**

We met with the families yesterday and I told Dillon Baldrige's mom that I was going to get in the end zone for her. So that's what I did and made sure he got the first touchdown.

**RE: The momentum building off of Luke Kuechly's interception**

I don't remember when the plays happened each quarter, I just go with the flow of the game. Everything was feeling good. Everybody was having fun. It was just Panther football tonight.

**RE: Winning the game going into the bye week**

It was great, we get a little time off so we get to go have fun and then come back and get ready for the Jets.

**RE: Carolina's offense**

We tried getting Cam 300 yards passing and then let him get his rushing yards. It's all thanks to the offensive line. They've been blocking their tails off and defense has been playing great. We just have to keep playing how we're playing.

**RE: If the offense can top this performance**

It's nothing new to us. We just have to do everything right. No penalties, no mental errors, none of that. We just have to keep playing Panther football and we'll be rolling.
