**GILLETTE STADIUM**  
Nov. 26, 2017 | 1:00 P.M.

**POSTGAME QUOTES**

Patriots OL Joe Karras (transcribed by the New England Patriots)

**(On running the ball against the Dolphins)**

"[We did] pretty good. They have a really good front. I thought we did alright. We scored 35 and rushed a lot."

**(On the bad snap to Tom Brady)**

"That's 100 percent my fault. I had to put it away and we went down and scored on the next drive. I just snapped it early. It was 100 percent on me. It was kind of a nightmare but we overcame it."
