## NEW ENGLAND PATRIOTS AT MIAMI DOLPHINS HARD ROCK STADIUM

Dec. 11, 2017 | 8:20 P.M.

### POSTGAME QUOTES

New England Patriots WR Danny Amendola (transcribed by Armando Gonzalez)

**(What made the Dolphins difficult today for the offense?)** – “I’m going to have to go back and watch it on film. I couldn’t really tell when I was running my routes. We just have to play better.”

**(No completions to the wide-outs in the first half. Were they covering you particularly well? Was there no time? Is there anything you noticed without looking at the film?)** – “It’s a really good question and obviously not our goal as a unit. We just have to play better.”

**(You guys were 0-for-11 on third downs, which is uncharacteristic to see that from the offense. Does anything stand out to you from the third downs that you saw?)** – “They play a lot of Cover 1 with a robber in the middle of the field and they played better than us tonight, so they won.”
