Buffalo Bills S Jordan Poyer (transcribed by Ryan Murphy)

(The ball was coming right to you [on the game-sealing interception]. Was it almost one of those ones where you're like, 'Oh boy, I've got to catch this one. I know it's coming right to me.?' – "I've got good hands. I knew as soon as (Dolphins QB David Fales) released it, it was going to be my football. No thinking about it, just catch the ball."

(This secondary – yourself and S Micah Hyde in particular – have keyed this defense in a lot of ways in terms of the takeaways. Again, today, you guys are able to do it defensively and your takeaway leads to it. What did that mean to you to be able to, not just today but all season, lead this team along. You and Micah Hyde are both brand new to this team and you come in, and you said earlier this week, you wanted to establish yourself as one of the best safety duos in the league.) – "Yes, I just think that we work hard off the field, not just the secondary, it's all 11 guys on the football field. We worked hard all week. It's a tough group of guys. It's a great group of guys. It's a brotherhood. Crunch time you want to play for your brothers. Like I said, we've got a great pass rush, the ball was in the air and I was able to make a play on it."
