What is the feeling getting back-to-back AFC West titles? “It is remarkable. Coach Reid came here and changed the whole organization. This is the first time back-to-back. Alex Smith, the leaders on this team shaped and formed this team to what it is today. Starting with the leader, Eric Berry, who went down beginning of the year. We had guys surround him and make sure he was comfortable and we just picked it up from there. It has been a remarkable season for us because we started off 5-0, went through the drought and we picked it back up. We were fortunate enough to finish with the AFC West.”

You were running through the hallways saying ‘Baby we’re in!’: “We focused on one thing at the beginning of the season and that is winning the AFC West. After the AFC West, you made the playoffs. Now the playoffs we have to worry about, but let’s finish the season first. Let’s get to the playoffs, baby.”
