2024 MIAMI DOLPHINS REPORTING POLICY

All media in attendance at Dolphins practices are required to comply with the following reporting policies. These policies, in accordance with NFL regulations, are intended to protect the integrity of competition. Generally, any information that could help an opponent prepare for playing the Dolphins is off limits.

Media covering practice may:

- Note which players are practicing, as well as those who are not.
- Mention newsworthy events (i.e. exceptional catches, standout performers) which are not prohibited below.
- Include non-strategy and non-game plan observations.
- Consult a member of the Dolphins Communications staff before immediately posting speculation on topics such as why a player may not be practicing.

Media covering practice may NOT:

- Live blog or tweet from practice for any practices closed to fans. All posts/updates must wait until the team has concluded formal practice.
